## PROVERBS FOR LIFE

1. Easy come, easy go – Any money that you don't have to work hard for, will disappear as easily as you got it.
2. Adversity and loss makes a man wise – We gain wisdom faster in difficult times than in prosperous times.
3. A bird in Hand is worth two in the bush – understand the value of things, that you already have, rather than looking for new.
4. All that glitters is not gold – Everything that may look so attractive or charming may not be so in every case.
5. Strike the iron , while it is hot – Take action in favourable circumstances, because they can change very quickly and it might not be helpful as to achieve success.
